## Issue 2

Published Friday 21st September 2018

Well another week has flown by here at Layton with lots of new skills being learned all across the school. Our Foundation pupils have had their first PE lesson, Year 3 have had their first ballet lesson taught by the Royal Ballet School, and Year 4 have been learning about and creating their own pieces of aboriginal art!

It was great to see so many parents meeting their child's teacher on Wednesday night at our 'Meet the Teacher' event. If you have any further queries throughout the year or you would like to speak to your child's teacher, please make an appointment through the school office.

To raise money for Macmillan Cancer Support we will be joining them in the 'world's biggest coffee morning' next Friday, 28th September. We will be having our event in the afternoon and would like to invite parents and carers in to school for tea, coffee and cake. This will be from 2pm in the KS1 hall and will continue to run after school if you would like to collect your child at the end of the day and then attend. We look forward to seeing many of you there!

### School Photographs

On **Monday 24th September** Tempest will be in school to take this year's individual photographs. Every child will have their individual photograph taken (and sibling photographs if a slip has been returned) and you will have the option to purchase this if you wish when the proof is sent out. This usually takes around 2 weeks, so keep an eye out in your child's bag for these being sent home. Please may we ask that your child is wearing **full school uniform** on this day.

### Harvest Festival

On **Tuesday 2nd October** we will be holding our Harvest Festival Assembly. We kindly request that children bring in food, such as none perishable items, for example: Tins of Beans, Soup, Vegetables, Custard, or packets of Soup, Noodles, Rice, Custard/Desserts etc. Other items that have a short shelf life or are fresh produce i.e.: vegetables or anything that needs refrigerating, would unfortunately be unsuitable.

These will then be distributed amongst the community to those in need of good will. Even by donating just one item of food you would be making an impact, so we kindly ask you give as much as you feel you can spare. If you wish to donate, please send these in with your child or drop them off at the school office. Thank you for your support.

### A big 'Well Done!'

A big well done to **Alex H** in class 3E, he recently achieved a Distinction in his modern dance exam. Congratulations Alex, this is a brilliant achievement. Keep up the good work!

### Achievements to Share

If you have any achievements you would like to share through the newsletter, please email your details and information through to [admin@layton.blackpool.sch.uk](mailto:admin@layton.blackpool.sch.uk)

### Flu Immunisations

Many thanks to all parents/carers of children in Foundation and Years 1, 2, 3 and 4 who have returned the Flu Immunisation consent form. If you require a new form, please contact the school office.

The date for these vaccinations is **Tuesday 30th October**. The nurses undertaking the immunisations will assess your child's health on the day (e.g. if they have a cold this may be postponed). If you decide to have the immunisation before this date/not in school, please inform the school office.

## Year 5 and 6 iPad Schemes

A reminder to **Year 5** Parents and Carers that the next iPad payment of £10 is due on **Monday 1st October**. For the **Year 6** iPad scheme this month's payment was due on **Thursday 20th September**. If you require a new parent pay log in letter please contact the school office. You can also make the payment through card at the school office or via phone.

## Autumnal Weather — Coats!

Please may we ask that you send your child to school with a Coat or Jacket, the autumnal weather is now setting in and although it may be sunny in a morning it could be raining by lunchtime!

Please also ensure that your **child's name is written inside their coat, jumper/cardigan** and also **inside their lunchbox**. If they are misplaced this makes it easier to return the lost item to the child.

## Children with Asthma

If your child has been prescribed an inhaler, please make sure that we have one available for them to use at school. Please ensure that inhalers are named and you have completed an Asthma form at the school office.

May we remind parents and carers that all children diagnosed with asthma **must** have an inhaler available in school at **all** times. If a child does not have their inhaler in school, parents/carers will be informed. An additional inhaler to keep in school may be obtained from your GP or the Walk In Centre. If you need to hand over an inhaler to school, please bring the inhaler to the school office to complete a consent form.

## Year 6 Residential Meeting

On **Thursday 27th September** at **3:15pm** we will be holding an information evening for Year 6 parents and carers regarding this year's residential. The Year 6 teachers will share what type of activities the trip involves, when the trip will run and what to expect.

If you wish to attend this meeting, please collect your child from class and make your way to the KS1 hall at the end of the school day.
