## Issue 32

### Published Friday 21st June 2019

Next week is the annual 'Youth Games' week where schools from across Blackpool will attend Stanley Park to compete in different sporting activities. Good luck to our representatives, I am sure that you will do yourselves and Layton proud!

On Thursday evening, we hosted 200 teachers who attended training facilitated by our school; we were pleased to have so many people attend and were also delighted to have some members of our governing body attend. It was a wonderful evening of development for all of our staff, who will no doubt be putting their new found expertise into practice and will enable them to become even better teachers.

I am pleased to share that we have been selected as a school nominee for the prestigious Edufuturist Award, 'Primary School of the Year' sponsored by Primary ICT. We have been nominated by someone in the education sector who wants to recognize the work we are doing to enable learners to thrive in the future world. We would really appreciate if you would be able to take a minute to vote for us, it's only a couple of clicks. Please visit the link available on our website and parent app, or with the QR code to the right.

### Year 1—Birdman Visit

On Monday, Year 1 had a visit from 'Birdman Parrot Rescue', a charity to help birds. Year 1 said that the talk was very informative and the children loved having the opportunity to get hands on with the parrots. Take a look at the Year 1 twitter for a video of the visit (@Year1\_Layton) and feel free to visit their website [www.birdmanparrotrescue.co.uk](http://www.birdmanparrotrescue.co.uk)

### Blackpool Youth Games—'Road Race'

It is that time of year again for the annual Youth Games! If you would like your child to take part in the 'Road Race' this event will take place on Monday 24th June at the Stanley Park Athletics Track. Children will need to be in their PE kit and have appropriate footwear to be able to take part in the event.

As this is out of school hours it is **parents' responsibility** to provide transport to the event as well as accompanying your child **throughout the evening**.

A staff member will be attending the competition to help with the running of the event, however a parent/carer must attend the event to supervise their child.

Years 3&4 Boys—5:45pm
