Layton Primary School Issue 15

Published Friday 19th January 2018

As you may be aware, our target for the overall weekly attendance for each class is 96%; I am proud to share that 18 out of 21 classes had above 96% attendance last week, despite all the bugs that are going around at the moment this is a great achievement across the school! Let's try and keep this up this next week, particularly 6K who achieved 100% attendance.

A date for parents/carers diaries is that Parents Evening will be held on Wednesday 7th February. Please note this date and keep an eye out for more information about this which will follow.

Parent App

You will be receiving a separate letter today, introducing our new school App. This is being launched to improve our communication with parents and carers and cut down on paper letters and forms that are sent home on a regular basis.

The App is free to download and can be used on all mobile devices e.g. smartphones or tablet computers. You will find further information, including the links and download instructions, on the home page of the school website at www.layton.blackpool.sch.uk. Click on the word 'Parent App' on the bottom-right button and this will take you to the relevant details.

You will need to log-in to the App as follows:-

Username: layton

Password: parent

A Massive 'Well Done' to our Learners of the Week

9th to 12th January 2018

Well Done! Keep up the good work!

FK	Lacey is FK's learner of the week for being persistent in trying to improve her pencil grip.	FP	Harvey is my learner of the week for being a great coach when peer teaching letter sounds.
FM	Mayleigh-Rae has shown great progress in her writing this week, writing initial and end sounds.	1E	Marc-Jacob is my learner of the week for participating more in class. Keep it up!
1J	Stuart has been showing excellent progress in Maths this week. He worked extremely hard when doing subtraction and coached his partner.	1D	Oliver has been a fantastic mini teacher this week - his confidence is building and he has excellent explanations for numeracy.
2S	Jayden is 2S' learner of the week for his resilience and risk-taking in his first week at Layton!	2M	Lacey is learner of the week for her resilience, and contributing to class discussions. Well done!
2T	Ella has shown great resilience and enthusiasm in Maths this week! Well Done!	3H	Katelyn always listens extremely well and has been making valuable contributions to our class discussions recently. She is becoming more resilient with her written work and is willing to have a go! Well done!
3N	Madison always makes reflective choices in all areas of her work. She uses her knowledge to support others well whilst ensuring she also challenges herself! Keep it up!	3B	Ollie is learner of the week for being the most resilient little boy I've ever met! He's settled straight back into school with a lot of enthusiasm and we are all very proud of him!
4W	Lucienna is 4W's learner of the week for always putting 100% into everything and being very resilient!	4R	Tyler is 4R's learner of the week for a change in attitude since coming back after Christmas. Keep up the great work, Tyler!
4E	Jasmine is learner of the week for using the 5R's and being a fantastic peer helper.	5D	Jack puts 100% into everything he does and always shows resilience. Well done Jack!
5G	Dominic has come back to school after Christmas with a better attitude to learning in all areas. Well done, Dominic!	5F	Nikki is always a fantastic role model! She has produced an excellent piece of writing in literacy this week.
6R	Kieron is learner of the week for heading in the right direction! Well done Kieran, keep it up!	6J	Keisha always shows the 5R's and is a wonderful role model. She has also been working hard with her times tables and has improved her score.

6K **Max** has come back to school with a much better attitude in all areas of learning. Max has been extremely resilient towards his work this week. Well done Max! Keep up the hard work!

Year 4 Gymnastics

Take a look at the Year 4 twitter (@y42017_2018) to see some videos from Year 4's Gymnastics in PE this week. They have been learning about different types of jumps and have been putting their favourites into a sequence!

Foundation and 'People Who Help Us'

This week our Foundation classes have started the topic of 'People Who Help Us'. Pupils visited the school kitchen and asked Keith and Linda questions about preparing the school dinners every day. You can watch their video of the visit on their twitter page @Layton_FStage or alternatively visit the FM class blog on laytonblogs.net

Payments to the School

Just a quick reminder to parents/carers that if you need to make payments for either Breakfast Club, After School Club or School Meals, you can do so through the following ways- Parent Pay (Online or at a Paypoint Shop with the barcode on your letter), Card Payment (At the school office or via telephone), by Cheque or by cash at the school office.

Twitter News!

This week our iLeaders have created their own twitter account, keep an eye out for tweets, photos and videos on their page @Layton_iLeaders

Car Park

A polite reminder that the school car park is strictly for staff and authorised school visitors only. Vehicle access to the car park by parents/carers is strictly prohibited at anytime of day.
