Firstly welcome back to all pupils and parents after hopefully an enjoyable half term. It has been wonderful to see so many enthusiastic children back into school and ready to learn. The various lunchtime clubs have commenced this week which vary from Photography Club to Gardening Club, look out for some blog posts in the coming weeks from the activities going on!

As you may have seen from my letter at the start of the week, I am extremely proud to share with you that Ofsted have judged our school as 'Outstanding' in all areas following their inspection on 10th and 11th October; this report is now available on the Ofsted website for you to read. I am sure you will wish to join me in celebrating a unique achievement for our school community, it is also such a credit to our pupils as well as staff, with a comment from the report being "*Pupils conduct themselves impeccably around school*". We will now strive to keep achieving these high standards of teaching and learning and improve even further.

## Children in Need 2017

This year's 'Children in Need' fundraising day is upon us! On **Friday, 17th November**, Layton will be joining in with the fundraising activities to raise money for this very worthy cause.

Last year we raised over £1,000 for Children in Need through your generous donations, we hope to match or beat this, this year! If your child is in KS1 they will have brought home a 'Pudsey coin sheet', or if your child is in KS2 he/she will have brought home a 'Pudsey cube'. We would be extremely grateful if you could send in your donations via these coin sheets and cubes on **Friday 17th November**. On this day children will be able to come to school in non-uniform, with the theme of spots for Pudsey's spots on his eye patch!
