

Newsletter

Dear parents and carers,
A huge 'thank you' to you and our children for your commitment to home learning. It is not a situation we hoped for and we do look forward to welcoming you all back into school when we are able to. For those of you who are struggling to access WiFi, please do contact the school office as we are able to help you and provide free access codes through BT. This will enable you to provide a hotspot for the device your child is working on.

We are all aware how difficult it is at the moment. If your circumstances have changed and you require practical support to help you manage, please do not hesitate to contact the school office and one of our Family Engagement workers will be able to speak with you. Please be assured that all conversations will be treated in confidence. Take care and stay safe.

Julie Barr, Designated Safeguarding Lead/SENDCO

The bar has been set high @LiamMarshallEdu! Can you beat me?
@Layton_Primary pupils watch out for this app appearing on your iPad this week. Prizes will be given out. Good luck! @Layton_FStage, @Year1_Layton, @Layton_y2, @Layton_Y3, @Layton_Y4, @Layton_Year5 and @Year6_Layton.

have composed their own about life in Blackpool @Layton_Y4 @PPA_Layton @AliceNutt1 @dyer_lu88 @miss_murphy97 @LaytonPS @CatherineRolly #genrepainting

Have you heard about our Family Learning workshops for parent?

They're packed full of ideas to support home learning. If you are interested you can 'sign up' to the workshops using the online enrolment form. Copy this link into your web browser bit.ly/FLspring or visit your child's year group Remote Learning page on our school website and follow the link.

Please get in touch if you have any questions or require help to access the workshops.

Family Learning Workshops for Parents		
These sessions will help you to find out more about how children learn and how to support learning at home.
