This is a suggested timetable to help space out the learning throughout the day, you do not have to follow the timings or complete the lessons in that order!

You can also under take other activities like Music, P.E and D.T, please see the links page for additional ideas.

Work and feedback with a daily class discussion will all be shared through Showbie and updates, web links or general messages will come through Class Dojo.

If there is anything the year 2 team can do to support you further then please ask.
