

H me Learning ...

We are asking all our Foundation Stage pupils to engage with their class teacher via Class Dojo for their home learning. This way teachers can direct the children in their learning rather than sending workbooks and iPads home at this stage in the current lockdown.

Between **1pm and 2pm every Thursday at the Lynwood Avenue** gate, parents/carers of Foundation children will be able to collect anything they need (resources/advice) from the Foundation staff.

If you are unsure how to access Class Dojo please contact the school.

You can follow Layton Primary Foundation Stage on
