PSHE Overview - 2022/23 - Layton Primary School

At Layton, we believe that learning takes place over time, resulting in a change in long term memory from Unconsciously incompetent to Unconsciously competent, and involves forgetting, revising, consolidating, extending and applying knowledge in a variety of contexts. To do this, children need to think deeply and critically about subject matter and engage with difficult concepts. Learning is, and should be, hard.

Learners understand changes that they will face in regards to their bodies

Cross curriculum coverage where

possible and appropriate

Impact

Learners begin to formulate their own, informed, views on the wider world

Implementation

Outside visitors to provide sessions e.g., fire service
